Eva Taylor has been locked in an attic for 4 years. Failed by the foster system, and left in the hands of a woman who hates her, and a man who wants her, Eva has given up hope of ever having a life. When she finds a mysterious letter from Rothmore College addressed to her in the trash, Eva's future suddenly comes alive. Now all she has to do is figure out a way to escape her attic prison, make her way across the country to New York City, and figure out all the things that point to the fact that she isn't exactly normal...Along the way Eva meets new friends, explores new places, and stumbles across three beautiful, charismatic, and alarmingly otherworldly men. Do they hold the key to Eva discovering who she really is, or are they just good at first impressions?
