CONTINUE ►

In *Horses Never Lie*, renowned horse trainer Mark Rashid challenges the conventional wisdom of “alpha leadership” and teaches the reader to become a “passive leader”—a counterpart to the kind of horse other members of a herd choose to associate with and to follow. Applying Rashid’s principles and techniques helps cultivate horse personalities that are responsive and dependable regardless of the rider. Reliving Rashid’s experiences with him, you will come to feel the same sort of compassion and appreciation for your horses that you do for the people in your life. This new edition features added introductory notes for each chapter that contribute to a more complete understanding of Rashid’s methods and philosophy.
