An Amazon Top 100 Bestseller. Grab it for the special release price of 99c! Can you handle three Irish brothers... all at once? I used to think I was one of the lucky ones. But at twenty-six, I've left my "perfect" life in New York behind—my perfect fiancé, my stylish friends, my high-flying marketing career—and ended up in Ireland. Truthfully, my perfect fiancé is now my ex after I walked in on him face-deep in my best friend's p***y. And my career? It's over. Because that cheating ex-fiancé of mine... he owns the company I worked for. I know. I know. Don't screw your boss. Trust me, I'm never making that mistake again. On my way to the remote Irish farm I'm now working on, my car hits a ditch. I'm rescued by the three sexiest men I've ever seen. The three Irish O'Callaghan brothers. Broad shoulders, strong arms, accents that make me wet just to hear them. I want them. All of them. I know they all want me. Plot twist... Turns out they're my new bosses. Warning: This is a sexy yet emotional reverse-harem romance, a full-length, standalone novel at 50k words. Three sexy Irish brothers who want nothing more than to please their special woman. All at the same time. Sienna's Quick & Dirty series consists of standalone novels which are hotter, dirtier and quicker than her other novels. "Sienna Blake delivers, yet again, with her signature brand of gritty, all-consuming romance!" ~ Lamplight Reviews "The sex is smoldering. The characters loveable and the story well written. I binged read this in one sitting" ~ Kazza's Books Blog & Review "...brooding Killian, fun-loving Fionn, and kind-hearted Aiden, who could choose between them?" ~ Goodreads Reviewer
