Dan DiPaolo hopes his art helps bring people together. The best way he knows to do that is through laughter, which is why he puts a little whimsy in everything he creates. Dan's art inspires not only smiles, but the desire to share the good feelings that come from them as well. A different piece of coffee-related art on each of its sixteen large monthly planning pages adds a decorative touch to this perky tear-off calendar pad that's the right size for a kitchen counter or office desk.
