Nyjeria Williams isn't your normal around the way chick from the hood. Unlike most, she actually made it out the hood. After sharing one night with her best friend of many years, Krossington Kingston, Nyjeria realized that the love she had for Kross would never be returned. Nyjeria left and didn't look back. Krossington Kingston has always been the man. After his parents' murder, he had to step up and make sure his two younger siblings were cared for. Quickly climbing the ladder of the Kingston Empire, Kross becomes the boss. After a night out celebrating, Krossington runs into somebody he thought he'd never see again, Nyjeria. Brielle is new in town, and on her first night out, she allowed Banks "Boomer" Holiday in her pants, heart, and mind. After finding out more about Boomer, Brielle tries to walk, but Boomer doesn't make walking away an easy job. Khari Kingston is Krossington's little sister who pops up pregnant when she's supposed to be away at school. Krossington can't help but feel betrayal. When Khari pops back in town, a lot of things change for Boomer, especially the feelings he thought he had for Brielle. In this explosive book, everything is not what it seems. Loyalty is just a word, and damn near everyone is out for self. Find out what happens when secrets are exposed, lives are taken, and hearts are broken.
