I'm meant to be alone. I haven't so much as looked at a woman in years. But one minute alone with her and I'm a wild man. I'm a former marine who rules The Untouchables' MC with an iron fist. I never lose control. But when I see Kelly at the wedding of one of our own, I can't get my mind off her. I'm no good for a nice girl like her, but that's not going to stop me from hunting her down. When her brother gets in the way, I don't ease up. Not until a killer starts targeting my crew. Our women too. That's when I make the hardest call I've ever made in my life. I leave Kelly alone to protect her. It kills me to do it. She's so close, but just out of reach. So I watch and I wait. I keep her safe and chase off any men who dare to get close. Only now, the killer is growing more brazen. There's no keeping her safe unless she's in my bed, for good. She belongs to me. She just doesn't know it yet. Rough Stuff can be read as a standalone novel, it is all new and not available anywhere else! Order of the series and characters: •Cuffed: Connor and Casey •Mean Machine: Mason and Michelle •Rough Stuff: Cain and Kelly •Shane's story: coming SOON! As always, this is a safe read with no cheating and a guaranteed HEA! Xoxox, Joanna
