A narrative-driven book on the surprising history and current revival of spritz cocktails (a wine-based drink served as an aperitif), with 50 recipes, including both historical classics and modern updates. From Milan to Los Angeles, Venice to New York, the spritz—Italy's bitter and bubbly aperitivo cocktail—has become synonymous with a leisurely, convivial golden hour. But the spritz is more than just an early evening cocktail—it's a style of drinking. In *Spritz*, Talia Baiocchi and Leslie Pariseau trace the drink's origins to ancient Rome, uncover its unlikely history and culture, explore the evolution of aperitivo throughout Northern Italy, and document the spritz's revival around the world. From regional classics to modern variations, *Spritz* includes dozens of recipes from some of America's most lauded bartenders, a guide to building a spritz bar, and a collection of food recipes for classic Italian snacks to pair alongside.
