With this one-sentence journal, couples can create a three-year time capsule of their relationship in the easiest way possible. Our Q&A a Day provides a question for every day of the year, with enough space for two people to jot down a one- or two-sentence response. The journal offers a variety of questions; some may address the relationship ("Where would you like to travel with your partner?"); others suggest writing something about each other ("What does your partner's laugh sound like?"); many are simply questions that each person answers individually ("What is your top priority today?"). Over a three-year period, both writers can see how their answers compare, contrast, and change as they create a lasting keepsake of their relationship.
