

[GET] Hockey Confidential

CONTINUE ►

Over 500,000 hockey fans follow Bob McKenzie on Twitter and millions more on TSN. No one has the access or breadth and depth of experience when it comes to the hockey. Now in his very first book on the NHL, Bob goes behind the scenes, covering the inside stories, the lesser-known personalities and the events that shape Canada's game. He talks to Bobby Orr about Connor McDavid (touted as the next Crosby), reveals the actual stats that NHL coaches and scouts use, and explores what it's like to be Don Cherry's son. Entertaining, insightful and a damn good read, *Hockey Confidential* is a must for every hockey fan.
