

V62Ot [Download] The Bridge at Andau: The Compelling True Story of a Brave, Embattled People

CONTINUE ►

The Bridge at Andau is James A. Michener at his most gripping. His classic nonfiction account of a doomed uprising is as searing and unforgettable as any of his bestselling novels. For five brief, glorious days in the autumn of 1956, the Hungarian revolution gave its people a glimpse at a different kind of future—until, at four o'clock in the morning on a Sunday in November, the citizens of Budapest awoke to the shattering sound of Russian tanks ravaging their streets. The revolution was over. But freedom beckoned in the form of a small footbridge at Andau, on the Austrian border. By an accident of history it became, for a few harrowing weeks, one of the most important crossings in the world, as the soul of a nation fled across its unsteady planks. **BONUS:** This edition includes an excerpt from James A. Michener's Hawaii. Praise for *The Bridge at Andau* "Precise, vivid . . . immeasurably stirring."—*The Atlantic Monthly* "Dramatic, chilling, enraging."—*San Francisco Chronicle* "Superb."—*Kirkus Reviews* "Highly recommended reading."—*Library Journal*
