

# UL3J6 [Download] Welcome to the Goddamn Ice Cube: Chasing Fear and Finding Home in the Great White North

CONTINUE ►

A rich and revelatory memoir of a young woman confronting her fears and finding home in the North. Blair Braverman fell in love with the North at an early age: By the time she was 19, she had left her home in California, moved to Norway to learn how to drive sled dogs, and worked as a tour guide on a glacier in Alaska. By turns funny and sobering, bold and tender, Welcome to the Goddamn Ice Cube charts Blair's endeavor to become a "tough girl" - someone who courts danger in an attempt to become fearless. As she ventures into a ruthless arctic landscape, Blair faces down physical exhaustion - while being buried alive in an ice cave and driving a dogsled across the tundra through a whiteout blizzard in order to avoid corrupt police - and grapples with both love and violence as she negotiates the complex demands of being a young woman in a man's land. Brilliantly original and bracingly honest, Welcome to the Goddamn Ice Cube captures the triumphs and the perils of the journey to self-discovery and independence in a landscape that is as beautiful as it is unforgiving.
