Completely redesigned for today's generation of cooks and food enthusiasts, the 25th Anniversary Edition of *Food of Life: Ancient Persian and Modern Iranian Cooking and Ceremonies* by Najmieh Batmanglij provides a treasure trove of recipes, along with an immersive cultural experience for those seeking to understand this ancient and timeless cuisine. This edition is a more user-friendly edition of the award-winning and critically acclaimed cookbook series which began in 1986. *Food of Life* provides 330 classical and regional Iranian recipes as well as an introduction to Persian art, history, and culture. The book's hundreds of full color photographs are intertwined with descriptions of ancient and modern Persian ceremonies, poetry, folktales, travelogue excerpts and anecdotes. The 2011 Edition of *Food of Life* is a labor of love. The book began in exile after the Iranian Revolution of 1979 as a love letter to Batmanglij's children. Today, as accomplished adults in their own fields, her two sons, Zal and Rostam, encouraged her to redesign the book for their generation. *Food of Life* propels Persian cooking into the 21st Century, even as it honors venerable traditions

and centuries of artistic expression. It is the result of 30 years of collecting, testing and adapting authentic and traditional Persian recipes for the American kitchen. Most of its ingredients are readily available throughout the U.S. enabling anyone from a master chef to a novice to reproduce the refined tastes, textures, and beauty of Persian cuisine. Food-related pieces from such classics as the 10th century Book of Kings, and 1,001 Nights to the miniatures of Mir Mosavvar and Aq Mirak, from the poetry of Omar Khayyam and Sohrab Sepehri to the humor of Mulla Nasruddin are all included. Each recipe is presented with steps that are logical and easy to follow. Readers learn how to simply yet deliciously cook rice, the jewel of Persian cooking, which, when combined with a little meat, fowl, or fish, vegetables, fruits, and herbs, provides the perfect balanced diet. ABOUT THE BOOK'S TITLE Food of Life, the title of the book, comes from the Persian words nush-e jan, literally "food of life"--a traditional wish in Iran that a dish will be enjoyed. For the updated 1993 edition the title was changed to New Food of Life. Now, for the 25th anniversary edition the title returns to its original name, Food of Life. The full-color Food of Life 25th Anniversary Edition contains 50% more pages than its 2009 predecessor and special added features: \*New Recipes adapted from Sixteenth-Century Persian cookbooks \*Added vegetarian section for most recipes \*Comprehensive dictionary of all ingredients \*A glance at a few thousand years of the history of Persian Cooking \*Master recipes with photos illustrating the steps. \*Color photos of most recipes with tips on presentation \*Updated section on Persian stores and Internet suppliers \*Fahrenheit and Centigrade temperatures for all recipes \*Choices for cooking recipes such as kuku in oven or on stovetop. \*Encourages use of seasonal and local ingredients from farmers markets, Community Supported Agriculture (CSAs) sources or one's own backyard
