A crash course in managing personal wealth! Too often, textbooks turn the noteworthy details of investing into tedious discourse that would put even Warren Buffett to sleep. Investing 101 cuts out the boring explanations, and instead provides a hands-on lesson that keeps you engaged as you learn how to build a portfolio and expand your savings. From value investing to short selling to risk tolerance, this primer is packed with hundreds of entertaining tidbits and concepts that you won't be able to get anywhere else. So whether you're looking to master the major principles of investing, or just want to learn more about stocks and bonds, Investing 101 has all the answers—even the ones you didn't know you were looking for.
