Susan Mallery welcomes you to Happily Inc, where true love isn't just for fairy tales...Natalie Kaleta will do anything for the artists at her gallery, including risk life, limb and the effect of humidity on her naturally curly hair. Braving a downpour to check on reclusive Ronan Mitchell, Natalie gets stranded by a mudslide at his mountain home, where the brooding glass artist reveals his playful side, sending her inconvenient crush from under-the-radar to over-the-top. After a secret tore apart his family and made him question his sense of self, Ronan fled his hometown for Happily Inc, but the sunny small town can't fix his damaged heart. He won't give in to his attraction for beautiful, perpetually cheerful Natalie. She's untouched by darkness—or so he thinks. Natalie knows that when a heart goes through the flame, it comes out stronger. Life may not be a fairy tale, but sometimes dreams do come true. Why not this one? Why not tonight?
