Spying on the neighbors just got a lot more interesting...I could see Abby's buttock muscles flexing in her yellow bikini as her fingers fluttered between her legs. She looked up at me from her poolside, then her lips parted and I heard soft moans wafting up to my balcony. I unzipped the front of my shorts and thrust my fingers under my panties...When the parents of the shy college girl next door decide to take a vacation, recent divorcée Jade sees a window of opportunity to meet her. One night before heading to bed, she notices a light in the girl's bedroom and a crack in her blinds.Jade grabs a spyglass and sees the girl watching an erotic video while touching herself. The girl notices movement in the window across the lane and catches Jade watching her.Things escalate rapidly as they exchange increasingly provocative displays, until Jade decides to ask the girl over for dinner. When they finally meet, Jade is shocked to find the shy girl next door isn't nearly as innocent as she's let on...
