I just learned I'm a part fae succubus. And I need to find the men to sate my sexual appetite...Here I thought I was a normal college girl with a high libido. Turns out that's wrong—I'm so much more. I have powers, and if I don't learn how to control them, I'll wind up killing someone. Baton Rouge has never been so hot as it is when I meet Leon and Naomi. And Tae Min, Petyr, Elah, Vincent: all fae. Here to guide me into my new life. A life that includes hunting down the demon summoner who framed my best friend for murder. Catching bad guys, meeting dark fae, making a harem—my new life is different. Worst of all, now I know my parents lied to me. I was never theirs. And my real parents? Well, they've got a hell of a surprise in store for me. Life isn't easy for a fae like me.-----Fae Like Me is a 90,000 word urban fantasy novel with a reverse harem element. The second book, Hell Sucks, is available for preorder now.
