

[Free PDF File] LooseLeaf for College Accounting: A Contemporary Approach

CONTINUE ►

Based on the best-selling text by the same author team, College Accounting, A Contemporary Approach, 4/e is a streamlined version of the text designed for instructors who teach the course without covering special journals. The authors represent the breadth of educational environments?a community college, a career school, and a four-year university?ensuring that the text is appropriate for all student populations. Throughout, they have adhered to a common philosophy about textbooks: they should be readable, contain many opportunities for practice, and be able to make accounting relevant for all. College Accounting, A Contemporary Approach, 4/e is available with Connect. Connect is a learning platform proven to deliver better results for students and instructors. Textbook content integrates seamlessly with enhanced digital tools to create a personalized learning experience that provides students with precisely what they need, when they need it. With Connect, the educational possibilities are limitless.
