Four hot-as-sin SEALs. Four dates. One magical week...Coming home to Virginia Beach after college and working in a clothing store wasn't what I'd planned for my life. I also didn't plan on meeting four Navy SEALs at a bar, or agreeing to their bet. Go out on a date with each one, and then choose. It's like a fantasy come true. Except...Why choose? Saved by the SEALs is a STANDALONE contemporary reverse harem novella for readers who are 18+. No cliffhanger, no cheating, lots of lovin'. Those who enjoy dirty-talking men in uniform will be quite satisfied.
