Life can be hard: your lover cheats on you; you lose a family member; you can't pay the bills. And it can be great: you've had the hottest sex of your life; you get that plum job; you muster the courage to write your novel. Sugar-the once-anonymous online columnist at The Rumpus, now revealed as Cheryl Strayed, author of the best-selling memoir *Wild*-is the person thousands turn to for advice. *Tiny Beautiful Things* gathers the best of "Dear Sugar" in one place and includes never-before-published columns and a new introduction by Steve Almond. Rich with humor, insight, compassion-and absolute honesty-this book is a balm for everything life throws our way.DISCLAIMER: "We cannot guarantee the availability of this ebook on an external site."
