

BREAKING THE HUDDLE

...Preparing Our Children for the Game of Life

SCOTT A. SMILEY

CONTINUE ►

Life is a journey. I have had the privilege of navigating the rough waters of a fallen world with a true man of God. Scott Smiley is the root of our family anchoring us deeply in God's Word. Together our greatest joy has been shepherding our children and encouraging them to seek after the passions God has given them and then getting to enjoy them along the way. In the same gentleness and love Scott shepherds his family, he also coaches athletes and mentors parents. Scott recognizes that success comes from fulfilling what God has designed for one's life not what the world teaches. In all facets of life, Scott carries himself with dignity and class. He is the same person whether at his job or in walls of his own home. I think that is why I admire him so much! He harbors a wealth of knowledge through experiences and observations of what it takes to raise today's youth. There is power when you see the world through God's eyes, and I think Scott has a clear vision to share with the next generation! This book embodies our journey, trials, experiences, and God's grace that have shaped our family and ultimately defined what God means when we hear the word SUCCESS. Our desire is to enlighten and encourage you in your own journey as well. Charlotte Smiley
