The book experts cannot do without! With over 350 Full Color Pages. Stats, Trends, Angles, Returning Starters, Phil's Forecast, and much much more. Focuses on over 120 of the top college teams, offering schedules, room to keep records, betting angles and shows five years of results and spreads. Includes projected offensive and defensive starting lineups and a valuable checklist to refer to when a key player is injured or unable to play for some reason. Shows the type of playing surface the team will be on at home or away, number of returning starters or lettermen, how the team was ranked in 2017 and key box score statistics from each game played. Covers the major conferences including Mountain West, MAC, Conference USA, and Sun Belt. Predicts and rates the potential All-Americans and top players at every position, examines the toughest conferences, most improved teams, predicts the 'surprise' teams, projects the top 40 teams, analyzes the Independents and even offers a look at the top freshmen. Magazine format 352 pages. National Cover. *IF SHIPPING TO A PRISON PLEASE VERIFY THEY WILL ACCEPT THE ITEM...WE ARE NOT RESPONSIBLE IF IT GETS REJECTED BY THE FACILITY** SALES ARE FINAL*
