Whether you're looking for your first rental property or just looking for a better way to manage the ones you have, this audiobook shows you Mike Butler's strategies, mind-set, tools, and technologies to make your rental business a boatload easier while giving you a lot more time to do what you want! Mike's simple methods can be implemented in downtown Manhattan or Anytown, USA, whether you manage high-end penthouses or Section Eight rentals, and you can do it all from your smartphone or tablet - and best of all, most of the technology doesn't cost a penny. There comes a time in every landlord's "landlording" experience when the income doesn't feel worth the hassle. Don't give up! Investment property can be a wonderful source of income - with the right approach. Mike Butler's approach is "autopilot", and it tips the scales toward more profit, more income, and much less stress. Discover the latest - and mostly free - landlording technologies Huge updates on Section Eight, rental application processing changes, and more How to deal with the latest rash of federal, state, and local laws attacking landlords Explore market trends and conditions through the eyes of a seasoned real estate investor If your properties are taking up too much of your life, Landlording on Autopilot is your ultimate guide to reclaiming your time - and your profit. PLEASE NOTE: When you purchase this title, the accompanying PDF will be available in your Audible Library along with the audio.
