A Kids' Guide to Manners teaches the most useful manners that kids need to feel capable and confident in any situation. Today's kids need a fresh approach to manners that resonates with them. A Kids' Guide to Manners goes beyond saying please and thank you with fun, practical lessons that bring manners into the modern world. From meeting new people to being a courteous guest to texting a group of friends, kids will have fun as they learn to use manners in a way that will make their lives easier and more enjoyable. With 50 essential manners, plus interactive quizzes, entertaining examples, and at-home practice exercises, A Kids' Guide to Manners teaches kids where, when, and how to use manners as they relate to everyday life. With this true manners how-to guide kids will: Build good communication skills that will make it easy to get along with others, such as constructive ways to express emotions to the power of writing a thank you note. Feel confident in new situations by knowing what to do and say when meeting new people, dining in a more formal environment, or dealing with conflict and gossip. Learn proper tech-etiquette that represents their best self over text, email, social media, as well as tips for knowing when it is or isn't appropriate to be using technology. With A Kids' Guide to Manners, both boys and girls will understand why manners matter and feel better than ever showing off their new social skills to everyone they know!
