

# Wanted By The Werewolf Prince: a paranormal space adventure fantasy romance (Space Shifters Chronicles Book 1)

CONTINUE ►

The toughest pilot in the universe...and the werewolf prince who will claim her. She's bold, fearless and disobedient--which always gets her in trouble. He's controlling, demanding, and superior--which always gets him what he wants. Captain Skye Daring is a space fighter pilot without equal. Rescuing a foreign werewolf prince and his sister from behind enemy lines should be a breeze. Prince Ral doesn't take orders from impudent humans. He's determined to save not only his sister and his people they left behind. The only thing in his way is a sexy pilot too stubborn to acknowledge his authority. Stuck in a crippled ship and hunted by tiger shifters, Skye and Ral must stop fighting each other and battle the enemy -- together. Will the prince and pilot drop their guards long enough to conquer their dislike and desire? **READER NOTE:** This story features sizzling hot emotions (and physical actions) with an awesome HEA. Only for readers who like their sexy times action to be explicit! Please also note that in this book the laws of quantum astro-physics have been modified for your story-telling pleasure (as in the use of faster than light travel via portals made by ancient space leviathans).
