

[GET] In His Father's Footsteps

CONTINUE ►

In this powerful novel, number-one New York Times best-selling author Danielle Steel tells the story of two World War II concentration camp survivors, the life they build together, and the son who faces struggles of his own as a first-generation American determined to be his own person and achieve success. Moving from the ashes of postwar Europe to the Lower East Side of New York to wealth, success, and unlimited luxury, *In His Father's Footsteps* is a stirring tale of three generations of strong, courageous, and loving people who pay their dues to achieve their goals.
