Darwyn Cooke's critically acclaimed graphic novel masterpiece is now available in its entirety! Welcome to 1950s America--a land of promise and paranoia, of glittering cities and segregated slums, of dizzying scientific progress and simmering Cold War conflict. A land without heroes. The masked mystery men who fought for freedom in the Second World War have been outlawed. The soldiers and spies who conducted top-secret missions into the unknown now work in the shadows. And those icons who do still fight on--Superman, Wonder Woman, Batman--operate under hidden agendas and dueling ideologies. Yet this America needs its heroes more than ever. With darkness gathering on the horizon once more, only a bold new generation of adventurers--young, daring, and dedicated to the better angels of our nature--are equal to the challenge of the New Frontier. From Eisner Award-winning writer-artist Darwyn Cooke and Eisner Award-winning colorist Dave Stewart comes DC: THE NEW FRONTIER--a timeless tale of idealism that has become one of the most acclaimed superhero comics of the 21st century. This edition collects the original 6-issue miniseries together with the JUSTICE LEAGUE: THE NEW FRONTIER SPECIAL, and features over 50 pages of designs, sketches and preliminary artwork from the author.
