Alisa Johnson My world was changed and my heart was broken. To help me cheer up, my friends decided I needed a trip to Las Vegas. What happens in Vegas stays in Vegas, right? At least that's what I thought until I woke up married. Morgan Bridgewater I'm having the day from hell. I broke up with my long-term girlfriend Mia. I thought she would go quietly but boy was a wrong. She brings down a hell storm like no other. My brothers decide that I need an escape. Vegas has always been fun for us. However, this time it took on a new meaning when I met a beautiful brown skin woman. From the moment I climbed between her legs I forgot all about Mia. My brown lover was my savior until she woke up in the morning with my ring on her finger. Now I must figure out how to keep my wife and deal with the hell my ex is trying to put us through.
