It would be a crime to miss out on the vibrant street food scene when traveling to Mexico City. The sprawling metropolis has over 20 million residents, and most of the locals eat at least a meal a day at one of the various food vendors that set up shop on the sidewalks throughout the city. This e-book will give you the confidence to jump right in and eat like a local. In addition to describing everything from the perfect burrito to torta pambaco, the author also created nine video vignettes to show you what to look for on your travel adventure. Mexico City is an amazing place. One of the crown jewels to its legacy is the creation of one of the world's favorite cuisines. It is a humble food, but when executed correctly, you'd be hard pressed to find a more delicious menu. Enjoy your trip.
