A cute, creative story about children and their texts, tweets, posts and pics. Don't be mean and irresponsible! That's the straight-to-the-point advice Screen has for young readers who are active on social media. Whether tapping out messages on their computers, tablets or phones, Screen wants kids to know their words will follow them for life, creating a digital trail that can't be erased. A timeless message to a new generation just learning how to navigate the fast-changing digital age. Written for children in grades 1-6, this storybook uses rhymes and colorful illustrations to grab their attention. There are also tips for parents and teachers who want to reinforce kindness and respect in a high-tech world.
