Escape to the seaside village of Little Pondale with Part Four of this heart-warming and romantic, four-part serial. Mia Ward was amazed to inherit her great-aunt Matilda's thatched cottage in the tiny seaside village of Little Pondale – especially as Mia didn't know she had a great-aunt Matilda. She was even more astonished to discover she'd only inherit the place if she lives there for a year. But a lot can happen in a very short time, and life in Little Pondale is not going quite as Mia hoped. She may have finally beaten one fear, but now heartbreak threatens to drown her. And when at last, she starts to unravel the mystery of Matilda's past, she uncovers an extraordinary plan for her own future. Now just who can Mia trust? As the nights draw in and cold winds steal through Sunbeam Cottage, she turns to an unlikely source for comfort and support. But with the fortune teller's warning still ringing in her ears, is Mia about to make the biggest mistake of her life?
