Over 30 entrepreneurs, just like us, chose to open their hearts and lives and share their real stories with you. Through the title alone, *Unscripted*, they chose what to share. The boldness and vulnerability radiates through their words in this entrepreneur book. Once the stories were collected, Ann M. Evanston, the creator, read through each, looking at the messages and deeper meanings. As she read she realized that this book was nothing expected and everything the entrepreneurial you needs to succeed. Twenty years self-employed she has always believed that it wasn't HOW that stopped some people from having success running their own business (learning how is as easy as a video on the internet these days) it was something far deeper. And these amazing entrepreneurs confirm that! Ann found that there were 5 keys these entrepreneurs have all achieved along the way that has allowed them to leap and find success. Inside this uplifting book for entrepreneurs you will become a part each story and their lesson learned. You will also discover the 5 keys and can apply them to your entrepreneurship! This is a great entrepreneur motivational book to read in order. It is delightful when you open the table of contents, close your eyes and point. Read the true story the universe picked for you that day to motivate you to LEAP! Why did you pick it? What is its message for the entrepreneurial you? Our stories inspire. They heal. And transform. You will be moved by the raw vulnerability of each storyteller, and revel in their unique story telling style. Stories. Told through generations, cultures, companies and friends. We tell stories to connect with others, to teach lessons learned, to motivate and move change. We seek stories to show us we are not alone. They inspire us to live our best lives. To heal parts of ourselves. To realize we are not alone on our journey. Contributing Authors: Debe Bloom, Chantal Bosse, Dianne Campbell, Julieanne Case, Lily DenMeade-Miller, Tanja Diamond, Tatiana El-Khoury, Victoria Gallagher, Kym Glass, Liv Hadden, Kerry Hargraves, Lynn Hawkins, Ron Hori, Isabel Hundt, Jen Jaciw, Krista Jennings, Nadia Joynson, My Koonce, Lisa Ann Landry, Sweeney Montinola, Wendee Neilson, Ana Lucia Novak, Rich Ocegüera, Sherry Prindle, Gloria Rand, Deborah Richter, April Rushing, Elena Skyhawk, Sara Sorenson, Dee Stephenson, Alexsys Thomson, Dorina Van Hauen, Jared Warner, Karla Williams, Jacque Zoccoli
