Experience a deeper, more passionate, and intimate prayer life. If you press into God's presence like never before, you will experience God like never before. Drawn from bestselling books *The Circle Maker* and *Draw the Circle* by pastor Mark Batterson, this bullet journal will guide you into more intentional prayers with writing prompts for 40 days. Each day includes a scripture quote, a passage to inspire and guide your prayer experiment, and beautifully designed spreads for journaling. This book is for the reflective writers, the scripture sketchers, the proverb doodlers, the prayer list makers. For those who like to venture outside the lines, the dotted pages can be customized to your unique prayer style. Discover the power of bold prayer as you witness how prayer strengthens your faith and encourages those around you. As you journal through this prayer experiment, you will be challenged, strengthened, and encouraged as you draw closer to the living, ever-near, and unbelievably good God. **DISCLAIMER:** "We cannot guarantee the availability of this ebook on an external site."
