CONTINUE ►

Jemima Smythe is over the world of fashion. But when her dream of teaching falls through, Jemmy is determined to show her hometown she's ready to put down roots. Three beautiful and boisterous kids in need of a nanny offer her an opportunity to prove just that. But their smoking-hot dad, Ned, offers her another—become his wife, as a matter of convenience only. Ned McCormack is at his wits' end. A single father to three kids, he quit the city and moved home to the Australian Outback in order to spend more quality time with his family. Unfortunately, the farm needs a lot of work. Just when he's ready to give up, help comes unexpectedly in the form of a supermodel mistaken as his wife-to-be. Not a bad arrangement, if only they can stick to the rules of their strictly-business marriage—no kissing and absolutely no falling in love allowed. Each book in the Prickle Creek series is STANDALONE: * Her Outback Cowboy * Her Outback Surprise * His Outback Nanny
