Wool as you've never read it before: The New York Times bestselling novel now told in graphic novel format, featuring full-color illustrations by Hugo Award-nominated artist Jimmy Broxton, and as adapted by fan-favorite writers Jimmy Palmiotti and Justin Gray. This contemporary dystopian classic—hailed by Justin Cronin, New York Times bestselling author of *The Passage*, as “an epic feat of imagination”—will captivate readers both familiar and new. This is the story of mankind clawing for survival, of mankind on the edge. The world outside has grown unkind, the view of it limited, talk of it forbidden. But there are always those who hope, who dream. These are the dangerous people, the residents who infect others with their optimism. Their punishment is simple. They are given the very thing they profess to want: They are allowed outside. This collection includes over 20 pages of bonus material: Jimmy Broxton's sketchbook, variant covers by Darwyn Cooke, and more! This book was initially released in episodes as a Kindle Serial. All episodes are now available for immediate download as a complete book.
