Tangle Art and Drawing Games for Kids is perfect for families who want to sneak a little more creativity into their lives and have fun doing it. It's about exploring, experimenting, and getting lost in creativity. It's not focused on goals, but on enjoying the process. Professional artist Jeanette Nyberg brings to life 46 drawing games that offer playful, easy ways to get a pen moving across a page, help keep the mind focused, and provide hours of edifying entertainment. Move through the book at your own pace. Start with basic drawing games, followed by a section of activities that can be done with friends, then work with some mixed-media activities, and end with awesome tangle art games. Each activity includes ideas for how to "Make it Silly," and ways to vary the themes so you can play the games over and over. Families will make exciting discoveries, find creative ways to spend their time, master visual and manual skills, and most importantly, have fun!
