

[GET] The Practicing Stoic: A Philosophical User's Manual

CONTINUE ►

The great insights of the Sotics are spread over a wide range of ancient sources. This book brings them all together for the first time. It systematically presents what the various Stoic philosophers said on every important topic, accompanied by an eloquent commentary that is clear and concise. The result is a set of philosophy lessons for everyone - the most valuable wisdom of ages past made available for our times, and for all time.
