Inside the pockets of this lavishly illustrated protective folder, you'll find a full set of fifth edition Dungeons & Dragons character sheets for use in any D&D campaign. This product includes three additional styles of double-sided character sheets giving veteran players options based on their individual play preference and spell sheets for keeping track of their magical repertoire. Each character sheet provides plenty of room to keep track of everything that makes a character unique. Also included is an introductory character sheet designed specifically to help ease new players into the game. Fans can use these character sheets to welcome new players to the world's greatest roleplaying game or choose a variant that fits their preferences.
