With rich photography, expert voice, and taste-making style, Martha Stewart Weddings—a brand-new volume, the first in nearly two decades—is at once a guide to and inspiration for planning a wedding. Since the debut of Martha Stewart Weddings in 1995, it has been the premier resource for couples looking to plan and personalize their big day. To coincide with the brand's 20th anniversary, the magazine's team of experts has compiled a comprehensive guide to their distinctive way of creating a customized celebration. It's packed with the original ideas, real-wedding photographs, and tried-and-true advice for which the brand has become known. From the engagement to the day itself, every detail is covered. Readers will learn what goes into making a “Martha” wedding, which includes dreaming up a cohesive theme and color palette, as well as finding a dress and suit, registering for gifts, enjoying showers and bachelor(ette) parties, hiring vendors, choosing the flowers and cake, and orchestrating a sweet send-off for the evening. With 300 full-color photographs, Martha Stewart Weddings will be the most gorgeous and practical wedding book on the market and a keepsake for every bride.
