I'm SO over that gorgeous, scary, heartbreaking man who hates my guts. I'm just counting on him to save my life. Never, ever fall for your brother's hot older friend. I flunked the test the instant I laid eyes on Landon Strauss. Tall. Ripped. Commanding. Irresistibly alpha. He gave a damn like no one else did. His soul-searing eyes saw me, not just a nerd girl next door. I had my idol, my destiny, and names for our future kids picked. Then I read Landon's little black book. One nosy peek exposed the shock of a lifetime. His confession. His pain. His plan. The sweet boy I loved was gone. Hero-turned-villain-turned-bad-memory overnight. Five years later, an insane slip of fate puts us under the same roof. Sweet closure, I think. I almost forget he hates me. I almost think we'll talk like normal adults. I don't expect the shirtless behemoth who comes barreling through my door. Landon's grown up. All snarls, testosterone, and lethal chemistry. We're in trouble, he says. Oh, Landon. Oh, baby, don't I know it? From Wall Street Journal bestselling author Nicole Snow - a tale of two hearts torn, stomped, and dragged through the mud. An uber-alpha protector bent on reclaiming his nerd next door. Full length romance novel with a Happily Ever After worth a "hell yeah."
