In a world where theres only one woman for every twelve men, a lottery is the chance for five lucky men to win the prize of a lifetime her hand in marriage. Nix never put his name in the marriage lottery for a reason. He doesnt need a woman. There arent that many to go around anyway, not after a genetically engineered virus wiped out 90% of the female population. He has his job as the head of the Security Squadron and its all he needs. He looks out for the township. He protects the few women who are left. But when his name is called to be one of the five husbands to the woman rescued from the badlands, he doesnt speak up to correct the error. Because Audreys like no one hes ever met before. Feisty. Thats the word for her. She might be just the woman to handle a rough, brutal man like him. Sharing her with four other men is a small price to pay. In fact, the closer they all grow, the more Nix realizes he might finally have again what he lost so long ago a real family. But when Audreys life is endangered, will Nix be able to save the woman hes just learned how to love? For a limited time, enjoy included bonus content. Theirs to Protect is 300 pgs and ends around the 51% mark.
