In trendy, black letter board style this Need Coffee, academic year, weekly/monthly planner is a fun way to plan! The interior planning pages have a neutral, kraft-style color design. This lovely 6.5" x 8" planner has 12 spacious, monthly views for overview planning. The weekly spreads boast daily, lined checklists to mark off tasks as you accomplish them throughout, inspiring quotes and space for notes and thoughts. Faux tabs on the weekly sheets allow for quick reference. Bonus page view of 2018 and 2019 is in the front and notes pages are in the back. The planner has a durable, textured cover and is wire-o bound to lay flat when open. This planner spans the months of July 2018 - June 2019. Our Medium Weekly/Monthly Planner collection combines fashion-forward designs with unparalleled quality and functionality. Monthly and weekly pages allow for detailed scheduling and the faux-tabs provide a quick reference. The durability, beauty and practicality of these planners will enhance your daily plans. Enjoy one of our five customized interior page designs. Additional notes pages are included within the textured durable cover.
