

K4iib [Download] Liven up Your Latin American Spanish: Idioms & Expressions You Need to Know (Spanish Edition)

CONTINUE ►

Speak More Fluent Spanish in Just One Month! Here's How. From Mexico to Chile to Colombia to the Dominican Republic, people across Latin America don't speak the kind of Spanish you learn from a textbook or hear in most classrooms. Ay, caramba! They speak real Latin American Spanish loading their conversations with lively idioms and colorful expressions. Now you too can use these expressions. And understand native speakers when they use them! This book gets down to business so you can speak Spanish with a whole new level of confidence. If you already speak some Spanish and are ready to take your conversation to the next level, then this system is right for you. This Book Brings You:- 401 of today's most common Latin American Spanish expressions and idioms- 25 practice exercises to master the material- Everyday conversations on topics like business, home life, sports, travel, romance and dating- An audio CD to help you learn and remember even faster by listening to native speakers of Latin American Spanish ... featuring 7 speakers from 4 Latin American countries (sold separately as an option for the e-book, included with the hard copy edition)- Cartoons to help you remember the expressions
