I'm keeping her all to myself, whether she knows it or not. An angel like little Lyra Worthington has no business being anywhere near a cold, calculating monster like me. But she's been mine since the second she poured herself into my world. And now, I'm never letting her go. I know she's off-limits. I know she's too young for me, and too innocent, and too untouched. But I bet she tastes like heaven and feels like sin, and tonight, I plan on finding out how right I am. She's tempting me - enticing me. She's provoking me like a naughty little brat looking for trouble. And believe when I say, she's going to find it with me. I play for keeps, I take what's mine, and I keep what I take. And tonight, I'm taking her. Super sweet, so filthy you'll need a bath, and over-the-top wrong. But, if you're looking for something wildly dirty, not really grounded in reality, and safe, this one's for you! Utterly obsessed alpha hero, sassy, untouched heroine, and insta-love, smut, and sugary-sweetness galore. HEA with NO CHEATING! \*No one is related in this story\* Please be aware that the Innocence Claimed books can be read in any order. For a very limited time, this book includes TWO other books of mine as a thank you for reading! Please note that Tempting Daddy's Boss ends at around the 30% mark in this book.
