From New York Times and USA Today bestselling author Lorelei James comes a new story in her Rough Riders/Blacktop Cowboys series A May-December romance hotter than the 4th of July Bull rider Justin Donohue spent his youth hell-bent on winning a world championship. Now retired and nearing the big 4-0, a gold belt buckle and a rusted-out pickup are all he has to show for his years on the blacktop. When Justin takes a job at the Gradsky Ranch, he immediately locks horns (and lips) with the sexy, sassy Calliopea 22 year old cowgirl set on seducing him. Reminding her of their age difference doesn't deter Calliope; neither does Justin's warning that she deserves more than a busted-up former rodeo cowboy. From the moment Calliope Morgan encounters the hot-as-fire new ranch foreman, she knows his gruff manner is an attempt to mask his attraction to her. But she's never backed down from a challenge, especially not when Justin's actions speak louder than his denials. Calliope doesn't give a damn that he's older than her or what others might think of their relationship. The uptight cowboy needs to relax and she'll do whatever it takes to loosen him up, proving there are no age restrictions when it comes to lust or to falling in love. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a

bonus book in the authors series. We hope you'll enjoy each one as much as we do.**
