This book is also your personal action plan for having a living trust. You will learn what a living trust is, how it works, and the steps you'll need to take to set up one; what to consider when deciding how you want your loved ones to inherit from you; how to find the right attorney to prepare your

living trust; how to organize information your family will need; and step-by-step instructions for your family if you become incapacitated and after you die."Understanding Living Trusts" is filled with charts, examples, and checklists, including a Personal and Financial Organizer that will help you prepare to meet with your attorney. All of this education and preparation will save you considerable time and money. Instead of paying hundreds of dollars an hour for an attorney to educate you, you can learn the basics of estate planning and living trusts in the comfort of your own home, on your own time, for just the cost of this book.
