During the 1840s, Amelia Alden Chase is being raised on a small farm by her foster parents. An interest in an irrigation project, though, and a harrowing attack by local bandits drives her into town and into the company of two men; one could be the love of her life, while the other is her own long-lost cousin. Has she accidentally stumbled upon happiness? Amelia's hope of a new family is dashed when she discovers the truth. A complicated and tragic series of events have pitted Jonas Mayfield, a former missionary and Clayton Knight, a beloved and fair Sheriff, against each other. Both men have suffered many hardships in order to forget, before finding themselves in frontal attack, again. What could possibly cause such hatred between the two men? Amelia has to unite the two sworn enemies and bring all their resources to bear against the forces of nature and of man's most basic instincts. Love, life, everything is on the line for Amelia and her family. Will she be able to save her future, by solving the riddle of the mysterious past? Will she go as far as to put her own life at risk to save the family she's always dreamt of? "Torn Between Love and Family" is a historical western romance novel of approximately 90,000 words.
