The world is your catwalk. Classics from Manolo Blahnik and Roger Vivier for House of Dior. Innovative styles from Viktor & Rolf, United Nude, and Stuart Weitzman. Go-go-style gold leather thigh-highs with studded heels. Marie Antoinette–esque silk brocades with large vamp buckles. Leather-covered 3-D printed mules that combine natural material with cutting-edge technology. 365 Days of Shoes is a year-round homage to styles that range from the flashy to the polished, the geometric to the surreal, the futuristic to the timeless. This wall calendar includes hundreds of photographs throughout the grid, plus inspirational quotes from design legends whose shoe closets you wish you could raid—Karl Lagerfeld, Diana Vreeland, Christian Louboutin, and more.
