Midwife, herbalist, and mother of four, Aviva Jill Romm shares her insights into how to make this crucial time a happy one. She provides essential advice for preparing for the postpartum period, coping during the first few days after the birth, establishing a successful breast-feeding relationship, getting enough rest, eating well even with a hectic schedule, and finding time to regain strength and tone with gentle yoga exercises. Woven throughout are helpful herbal tips and recipes to make the first year of motherhood a naturally healthy one. Natural Health after Birth also addresses a new mother's need to replenish her body, mind, and spirit so that she can nurture her child. This book
