

[Free PDF File] The Premed Playbook Guide to the  
Medical School Interview: Be Prepared, Perform Well, Get  
Accepted

**CONTINUE ►**

The Premed Playbook: Guide to the Medical School Interview is the only book needed to prepare premed students for their medical school interviews. It covers traditional interviews as well as the multiple mini-interview or MMI. Through interviews with Admissions Committee members and others, Dr. Gray has compiled the most comprehensive book on this subject. Premed students want to know what to expect, but more importantly, they need to see examples of what successful applicants have done. The Premed Playbook not only gives them close to 600 potential interview questions, it also gives them real answers and feedback from interview sessions that Dr. Gray has held with students.
