Volume 2 brings more slow cooker recipes for your family to enjoy. The test cooks at America's Test Kitchen have worked their magic again, developing and perfecting an all-new collection of 200 slow-cooker recipes. With this volume, we looked at this must-have appliance in new ways to truly maximize its potential. You'll learn how to make a host of dishes like Garlicky Shrimp, Chicken Soft Tacos, and Flourless Chocolate Cake-- recipes you'd never expect to see coming out of a slow cooker. The moist heat of the slow cooker is tailor-made to serve up flavorful stews, chilis, and braises (and don't worry--we've included a good number of these), but with our smart strategies and clever ingredient selections, we were also able to pull off spice-rubbed roast chicken, ziti with meaty ragu, rare roast beef, poached salmon and even cheesecake.
